No reimbursement of any portion of the fee is given in the case the applicant withdraws after the DS-2019 has been issued by CIEE and the student has received his/her visa. False or incomplete information will lead to a dismissal from the program without restitution of paid fees. No reimbursement will be given if the internship itself is deemed unfit by CIEE.

**Other Program Costs**  
 Please note that Dutch citizens are required to keep their national health insurance during a stay abroad and are required to pay the monthly premium. This will cost the intern a minimum of € 65 per month.
